Investment Opportunity

20304-109 Avenue NW presents a rare opportunity to acquire a newly constructed industrial storage development in West Edmonton. The property is designed to accommodate a wide range of users, including contractors, equipment operators, fleet owners, and indoor storage uses. Benefiting from strong demand for small bay industrial and storage space, the asset offers a secure, low maintenance ownership opportunity with long-term value. Its strategic location, modern construction, and flexible use potential make it well-suited for investors, owner/users, or purchasers seeking future lease up and value add opportunities.

Ideal For:

- Self storage operators seeking immediate occupancy and revenue potential
- Indoor vehicle, RV, and recreational storage providers
- Contractor, equipment, and fleet storage businesses
- Small bay industrial users and owner/operators
- Industrial investors and private equity groups
- Owner/users looking to combine operational space with rental income
- Purchasers pursuing a future condominium sell down strategy after stabilization

Vendor open to VTB financing terms
